

Remarks

This application is a National Stage Application of International Application Number PCT/JP2005/006253. By this amendment, the title has been amended to correct the automatically assigned English title of the original Japanese PCT application to better reflect the present invention. The specification has further been amended to include a "Cross-Reference Section." Also, an amendment at page 4, lines 13-15 has been amended. This amendment is obvious from Figure 6. Also the paragraph beginning at page 8, line 33 through page 9, line 19 has been amended. The exact amendment is at page 9, lines 14-15 which corrects an oversight made when preparing the original Japanese specification. No new matter has been added by the amendments to the subject specification.

Claims 1-10 were pending in the subject international patent application. By this Amendment, claims 3-6, 9 and 10 have been amended. No new matter has been added by these claim amendments. Accordingly, claims 1-10 are before the Examiner for consideration.

Please note that a complete translation of the subject application is also attached with this Preliminary Amendment.

The Commissioner is hereby authorized to charge any fees under 37 CFR §§§1.16, 1.17, or 1.492 as required by this paper to Deposit Account No. 19-0065.

Respectfully Submitted,
